- Cut two of all pattern pieces. Create two mirror images for a double-sided ornament.
- Position and tack the back using matching colored floss.
- Position the wing and tack using matching colored floss. Add the decorative stitching to the wing and tail with gray floss.
- Position and tack the cap using black floss.
- Position the beak and tack with gray floss.
- Using four strands of black floss, add the face lines with a split stitch.
- Position the eye and tack with a black French knot or black seed bead.
- Add wire legs to the back of one body if desired.
- Sew the two bodies together with a blanket stitch using floss that matches the different felt colors. Pause about 1½" from finishing the blanket stitch and lightly stuff with fiberfill. Finish sewing and tie-off.

Have fun!
